COMPANY PROFILE

Ch. & Sons Group of Engineers

RELIABILITY ■ TRUST ■ EXCELLENCE

Quality Assurance

Providing our customers with an excellent quality standard has been the hallmark of our success. Our products undergo strict quality checks to be cleared for approval. Our impeccable quality credentials, guarantee complete safety to our end users. Our quality standards have been emulated by our competitors, enhancing the industry standards.

Owing to the priority to serve quality products, various stringent quality tests are conducted at various levels of production to the final stage of dispatch. For fuller assurance of the quality, the Power Products are tested under the supervision of our quality control executives on the parameters mentioned below:

- Tensile Strength
- Conductivity
- Heat Resistance
- Fire Retardant
- Electrical Performance
- Power Density
